Sport offered football

Fanon F.C. offers opportunity for adults with mental health problems to take part in organised football matches as well as offering a route to employment through support in accessing F.A.Coaching Badges.

As well as organising football sessions for adults with mental health problems Fanon F.C. also runs a league that encourages the involvement of other disadvantaged groups e.g. homeless

Fanon F.C. is entering a team in the Birmingham Amateur Football Association Saturday Afternoon Football League this coming season 2007/2008 to further develop the social inclusion element of the club.

Through the links with Community Football establishments Fanon f.c. has access to a number of 5 a side pitches that can be used to host events one of which will be held in December 2007 (winners receive a turkey)

We currently have 50+ members of varying ability but all with one common trait , a love of football
